

Project Updates

HyperFae: Unauthorized Luzer

HyperFae: Unauthorized Luzer is now available for reading directly on my website! Two teaser pages have officially been released. More are in the works!

After every full chapter is completed, I will be releasing them on my website first, and then on WEBTOONS and GlobalComix one week later. Good news: The first chapter has been totally storyboarded already. Stay tuned!

Proximal Brink

"Cold Heart" - Vol. 1, Ep. 01 Part Two is here!

There is a totally new way to experience *Proximal Brink*: yes, also directly on my website!

If you would still rather watch on YouTube, I will be releasing episodes there too, just one week after posting them to my website.

Ko-fi

If you enjoy my content, please consider donating to my Ko-fi. I do everything I can to avoid the typical means of monetization to make sure you all have a great experience, so this would help me out a lot. Plus, I also want to take your contributions and invest more into these projects, expanding their possibilities and increase their production value.
